

EVERYTHING GOD DOES IS PERFECT. - An African story.

Hello,

An African Story with a moral lesson. Very interesting.

"A King had a male servant who in all circumstances always told him; My King, do not be discouraged because God never makes mistakes. One day they went hunting and a wild animal attacked the king, the servant managed to kill the animal but couldn't save his majesty from losing a finger. Furious and without showing gratitude, the King said; If God was good, I wouldn't have been attacked and lost a finger. The servant answered: 'despite all these things, I can only tell you that God is good and everything he does is perfect, he is never wrong'. Outraged by the response, the king ordered the arrest of his servant. While he was taken to prison, he again said to the king: God is good and perfect. Another day, the king went alone for another hunt and was captured by savages who use human beings for sacrifice. On the altar, the savages discovered that the king did not have a finger in place, he was freed because he was not considered "complete" to be offered to the gods. On his return to the palace, he ordered the release of his servant and said; My friend, God was really good to me. I was almost killed but for lack of a single finger, I was let go. But I have a question; If God is so good, why did he allow me to put you in prison? His servant answered; My king, if I hadn't been put in prison, I would have gone with you, and I would have been sacrificed, because I don't have a missing finger. Everything God does is perfect; he is never wrong. Often, we complain about life, and the negative things that happen to us, forgetting that everything happens for a purpose."

Prayer for healing and Protection.

Lord, I come before you today in need of your healing hand. In you all things are possible. Hold my heart within yours, and renew my mind, body, and soul. I am lost, but I am singing. You gave us life, and you also give us the gift of infinite joy. Give me the strength to move forward on the path you have laid out for me. Guide me towards better health and give me the wisdom to identify those you've placed around me to help me get better. In your name I pray, Amen.

God bless our circuit.

Enjoy the season.

George.
