April appears to have a faith festival for almost all the religions! Indeed, a time of increasing ones spirituality and incorporating it into every day life. There are plenty of opportunities to engage in interfaith and it usually helps if they are linked with national/international days; some of these can be found on page 4 of this newsletter and of course, we have the celebration of the Queens Platinum Jubilee this year; many events have been planned for the celebration.

### 'No' to more plastic waste?

Reducing plastic waste can be tricky. Last year student Elina set out to reduce her plastic waste, a couple of things she did:

"I changed my toothbrush from a plastic one to a bamboo one. I also switched to bamboo cotton swabs and reusable makeup remover cotton pads.

I stopped buying liquid soap and started using solid one instead. I used to think this would dry my hands but most of the newer formulas contain hydrating ingredients and, frankly, I cannot tell a difference."

It's about sharing food and fun during the Jubilee bank holiday weekend of 2 to 5 June 2022, or throughout the Month of Community in June as we celebrate good causes across the UK.

Great things happen when we all get together! For tips and ideas on hosting your own Big Lunch event visit the [Eden Project's Big Jubilee Lunch](#) website.
