**"Every morning we are born again. What we do today is what matters most."**

(The Buddha)

Plenty of events took place during Interfaith Week this year in Surrey, some of which you can read about in this newsletter and interfaith forums are busy planning their events for 2022. The uncertainty makes it difficult to plan events but we have got through it last year and we can do it again this year!

Wishing you a very happy Christmas to all those celebrating, season's greetings to all and Happy New Year.

## Multi Faith Prayer Vigil

40 people joined us at our Interfaith Week Prayer Vigil in the Peace Garden on Saturday 20th November at 3pm, as we remembered and celebrated everyone whose lives had been affected by the pandemic. Included were those who had passed away, those who gave us incredible service and as we continue to look to the future.

Short prayers were said from Simon Trick of the Baha'i faith, Bishop Andrew Watson of the Christian faith Dr Syed Naqvi from the Muslim faith and Keith Scott from the Quaker faith. Unfortunately our Buddhist, Jewish and Hindu friends were unable to join us on the day. Everyone present placed an LED candle in remembrance of a loved one which was led by the High Sherriff of

Surrey, Julie Llewellyn. The Mayor of Woking, Liam Lyons opened the ceremony with positive comments. The Lord Lieutenant gave closing remarks and laid a wreath.

### Interfaith Service

Guildford and Godalming Interfaith Forum (GGIFF) were very happy to have a face-to-face indoor meeting for their annual Multi-faith event at St. Nicolas in Guildford and to welcome a good number of supporters from past times. The theme this year was 'Humanity's Awakening - Rebuilding Communities'.

With so many pressing concerns including Climate Change, Mental Health, the Pandemic, Refugees, Wars and Famine it was left to each of the speakers to choose the main focus of their presentation, and we enjoyed informed and uplifting talks from six Faith traditions, ending with a closing prayer: 'A prayer for our earth' by Pope Francis read by the Mayor of Godalming, Councillor Mike Steele.

Two of our regular speakers had to travel at short Notice, but we welcomed 3 new speakers this year including Buddhist Elizabeth Mpyosi from Care4Calais, Dany Varghese - South India Catholics Chaplain at Surrey University and his wife Athila-Rose, who sang a Keralan Hymn, and Salem Sabur - Mental Health Outreach Officer with Surrey Minority Ethnic Forum. Ray Wicksman, Bibhas Neogi & Mandisa Nkana-Taylor shared insights from the Jewish, Hindu & Bahá'í Scriptures. It was very evident that each of these Faiths are inspired by the same Source and that 'we have more in common than divides us...'

In her closing comments Rev. Sheena Gabriel said that GGIFF would like more people to join our Core Group, meeting bi-monthly throughout the year, to help plan our Public Events, and several people put their names forward.

£80 was donated for Guildford Action. Watch the recordings of the speakers [here](#)

### Christian Muslim Forum

The Bishop of Guildford, Andrew Watson hosted the Christian Muslim Forum on Thursday 25th November. Christian and Muslim leaders gave updates on interfaith activities and the main focus of the meeting was climate change and how faith communities can play a positive role. There were theological discussions from the Christian and Islamic perspective on stewardship followed by practical suggestions.

The Diocese of Guildford have set a target to be carbon neutral by 2030, churches are re-using, recycling, and reducing waste as well as considering more sustainable forms of heating and reducing carbon emissions. One of the suggestions were to install electric charging points in the church car parks.

**Little Amal**

Cardinal Vincent Nichols led a service of prayer and reflection having welcomed 'Little Amal' to Westminster Cathedral. Amal is a 3.5 metre-tall puppet of a 10-year old unaccompanied Syrian refugee whose journey

across Europe, from the Turkey-Syria border to Manchester, is intended to highlight the plight of unaccompanied child migrants and the dangers they face.

Reflecting on the occasion Cardinal Vincent said: "The message is very simple... that people who are desperate for almost whatever reason, but certainly as a result of violence, persecution or absolute poverty.

They are our brothers and sisters... And as Christians, in them, we are invited to see the person of Jesus. We have to let that rumble around in our hearts, our minds and in our conscience and say, "Can we not do better for these brothers and sisters of ours?" [Click here](#) to find out more.

**New COVID-19 regulations in England Update from Interfaith Network UK**

First, while the NHS COVID pass will become mandatory for entry into venues where large crowds gather, this requirement will not apply to our places of worship. Communal Worship, Weddings, Funerals and other ceremonies to mark key life events will all be exempt. Receptions which take place after such events, such as Wedding receptions, will need to comply with the new requirement but only where 500 or more people are involved in indoor venues.

Second, the legal requirement to wear face masks in certain public indoor venues will be extended to our places of worship and some other public spaces. However, there are exemptions for those leading a service or giving a reading, and there is a reasonable excuse exemption which allows people to remove a face covering whilst singing if they wish to do so. Exemptions for those unable to wear masks, again familiar from earlier this year, will also be provided."

**IFN digital 'surgeries'**

IFN is continuing to offer member Local Inter Faith Organisations one to one 'surgeries' for half an hour to talk through different aspects of digital communications from the strategic side to specifics of using Zoom, Facebook, Twitter and Instagram.
