Addlestone	Addlestone is now hosting a monthly virtual zoom jointly with Weybridge. We send hard copies of the Worship at home sheets, prayer guidance and Pastoral letters to our non-internet users. Open for private prayer Saturdays 10.30am – noon.
Byfleet	The Rev David Faulkner produces a weekly video Reflection which is published at 8:00 a.m. on Sunday and can be found at <a href="https://bit.ly/DFYTChannel">https://bit.ly/DFYTChannel</a> The Superintendent's pastoral letter and other worship material received via the Circuit Office is emailed to all the church family where possible, otherwise hard copies are hand delivered. Byfleet has re-opened for public worship.
Cranleigh	Several of our members take part regularly in the St Mary's Sunday morning services via zoom which are very helpful and encouraging. The orders of services for worship at home are also circulated to all members of the congregation. Awaiting decision about re-opening.

Guildford	Services each Sunday – a physical presence in church with participation by Zoom each Sunday at 10.30am. Contact Nigel Campion-Smith ( <a href="mailto:nigel.campion-smith@outlook.com">nigel.campion-smith@outlook.com</a> ) for link and password
Knaphill	Dave Faulkner will be producing a weekly video. The aim will be for publication at 8:00 am on Sunday. Posted in hindsight on the Circuit website but you can find the video on Dave's YouTube channel at <a href="https://bit.ly/DFYTChannel">https://bit.ly/DFYTChannel</a> Hit 'Subscribe' and then the bell icon next to it, so that they receive instant notifications when a new video is published. The Knaphill Leadership Team, acting with powers delegated from the Church Council, agreed that the church would re-open for gathered worship following lockdown, but (a) only from 13 December to give time for proper preparations and (b) if Woking Borough Council is placed in the new Tier 1. As they are in Tier 2 they will not be re-opening at present.  They also decided not to use the church premises for relaying the circuit service on 27 December, but to encourage people to watch it at home. The thought is that there would be low numbers anyway, and combined with the fact that the 27 is the final day of the reduced restrictions for Christmas, they think it is not viable to open up on that Sunday.

Merrow	<p>No current plans to venture down the path of “on-line public worship”. We will continue to publicise on our website and in our weekly News sheet all the exciting initiatives across the circuit and wider which are successfully embracing the new available technologies.</p> <p>Silent Prayer on Wednesdays from 10.00am - 11.00am will continue at least for the duration of the calendar year.</p> <p>Gathered Sunday worship has recommenced.</p>

The weekly district service is sent out and so are various other links to watch church services through different Methodist resources. Neil Champion is updating Stoughton’s website - putting both Keith’s and Asif’s letters on the home page along with some of the many links to resources on the circuit, district, UK Methodist and singing the faith websites.</p> <p>Stoughton has opened from 6 December for gathered services every other week, so next service will be 20 December.</p>
